(Info about today's candidates Will Rasmussen and Richard Devlin, on the back)

About Richard Devlin:

As a volunteer, community leader and elected official, Richard Devlin has dedicated his life to serving his fellow Oregonians. A lifelong Oregonian, Richard was born in Eugene, the second youngest of nine children; Richard worked his way through college, earning his Bachelor of Science in Administration of Justice from Portland State University. After serving in the Marines, he went on to earn a Master of Arts in Management from Pepperdine University.

Richard knows what it means to struggle in difficult times, and he has been the leading voice in the Oregon Legislature on protecting funding for the public schools, community colleges, and universities that Oregon families depend on and are the vital foundation of a strong economy. Devlin, who was selected Senate Majority Leader by his peers in 2007, understands the value of hard work.

The Bus loves Richard Devlin because he's been a central driving force of public interest policy for over a decade and one of forward-thinking Oregon's go-to legislators for independent ideas. He's also one of the first candidates the Bus ever walked for and it's cool to be back.

About Will Rasmussen:

Will Rasmussen is running for the Legislature to keep Oregon's promise for us and future generations. Will grew up here in Oregon and has a deep appreciation for the state's beautiful parks and open spaces. Preserving our environment for future generations is a big part of his plan for Oregon.

Will is an attorney Miller Nash LLP. He's also a volunteer with the Oregon Business Association and lives in the Willamette neighborhood of West Linn.

The Bus loves Will Rasmussen because of his strong support for higher education, sustainability and fair elections. We also think his instinct toward innovation and new ideas in public policy are both refreshing and exciting.
